THE LATEST VERSION.
A soldier of the Russians
Lay Jannaped at Tschitzkivitch,
There was a lack of woman's nursing
And other comforts which
Might add to his last moments
And smooth the final way;
But a comrade stood beside him
To hear what he might say.
The Jannaped Russian faltered
As he took that comrade's hand,
And he said: "I never more shall see
My own, my native land;
Take a message and a token
To some distant friends of mine,
For I was born at Smalxzskgixzski,
Fair Smalxzskgixzski on the Lrkzvkim-
nov."

MAYSVILLE MAN TO WED

Approaching Nuptials of Dr. C. Tabb
Pearce and Miss Mary Hall

The Cincinnati papers announce the approach-
ing nuptials of Dr. C. Tabb Pearce, son of
Mr. Charles Burgess Pearce, Jr., for many years a
Bank officer in this city, and a native of old Mays-
ville as well, and now one of the most promi-
nent, popular and successful physicians of the
Queen City, and Miss Mary Hall, one of the
most gifted actresses on the American stage,
who has in the past week been liberated by di-
vorce from a mismatched matrimonial alliance
and is now at liberty to wed the man who is
more the ideal of what she considers a hus-
band should be.

Miss Hall is now a member of Mr. Sothern's
company and the wedding will not take place
until the early coming summer.

Dr. Pearce has leased a palatial residence
on Chapel street, Walnut Hills, as the home of
his future bride. Besides having established
himself as a leading physician, he is prominent
in the lecture field in matters pertaining to his
profession.

Here in his native heath the best wishes of
his old schoolmates and those who knew him
as a promising, manly youth wish him God's
choicest blessings and that his alliance may be
of the kind that are consummated in heaven.

JOHN HOWARD LAMAR

Death of This Ex-Maysville Man at
San Francisco

A telegram to his sister, Mrs. B. W. Goodman
of this city, announced the death of Mr. John
Howard Lamar at San Francisco, Cal., on Feb-
ruary 23d.

Deceased was a son of the late W. W.
Lamar, and was born in this city.

He was a man of fine attainments, and for
several years past had been engaged in writing
advertisements for a big syndicate.

Surviving are a widow residing in Chicago
and a son, the latter a Paymaster in the United
States Army in the Philippines.

The funeral will occur at Aurora, Ind., prob-
ably Sunday, and Mr. and Mrs. B. W. Goodman
will attend.

NEGLECT OF HUSBAND

Love's Young Fancies Rudely Shat-
tered by Unhappy Marriage

Some three years ago, after a courtship cover-
ing a period of over a year, Miss Lucille Pierce
and Mr. Louis E. Schauer, a youthful couple, both
residents of the West End, were married against
the wishes of the groom's mother.

Shortly after the husband left his young wife
and took up his residence with relatives in Pitts-
burgh, where he has resided ever since, ignoring
all obligations due her as a husband.

In course of time a son was born—Louis
Joerger Schauer—and since that time the bur-
den of earning a support for the offspring of the
unfortunate and unhappy marriage has fallen
on the shoulders of the wife, who has, with the
spirit of Spartan, supported herself and babe
during all the years that have intervened.

Becoming weary and heart-sore over his treat-
ment, she determined to invoke the aid of the
law in bringing her truant husband to a full
realization of the duties he owed his child.

With this purpose in view she visited Pitts-
burgh last week, and after securing a lawyer
in the person of Hon. John O. Petty, one of the
most prominent and able lawyers at the Bar of
the "Smoky City," suit was brought for main-
tenance of the son.

After a thorough sifting and a patient hear-
ing of the facts in the case the Judge ordered
that the husband pay to the wife a weekly sum
sufficient for its care and support until the child
arrived at the age of 21 years.

Bond was required and given for the carry-
ing out of the Court's mandate.

J. C. Pecor, Druggist, Offers the Peo-
ple of Maysville Vinol, a Body-
Building, Strengthening and
Healing Medicine.

We have a warranted cure for all thin, tired,
debilitated, nervous people. It is Vinol, the
most delicious and valuable preparation of cod
liver oil ever discovered. Vinol tones up the
digestive organs, cures all stomach troubles,
makes rich, red blood, creates strength, and
builds up firm, healthy flesh.

Mr. Frank Graves, a lawyer of Winoski, Vt.,
writes: "Permit me to say a word indorsing
the peerless merits of your cod liver oil prepa-
ration, Vinol. I was in very poor health when
I bought my first bottle of Vinol, and I wish
every sufferer could see what it has done for
me. It brought back my appetite, put flesh on
my bones, strengthened my nervous system and
toned up my whole physical condition. Vinol
simply did wonders for me."

As we have so often stated in these columns,
Vinol is the greatest strength creator known to
medicine, and we do not believe there is a per-
son in this vicinity but what Vinol will benefit
at this season of the year; it never fails to
make the weak strong and the sick well.

Vinol is just as valuable for all hacking
coughs, chronic colds, throat and bronchial
troubles, and we return money if it fails. J.

THE LITTLE HOMESTEAD.

It has been truthfully said that "The Lit-
Homestead" certainly reaches the heart and th
better side of mankind. It is predominated by a
strong vein of comedy and pathos which at
once charms and holds the auditor, while the
strong dramatic situations, with the undoing of
the destroyer of home and happiness, furnish
fitting coloring to a simple wholesome tale which
teaches a lesson. The author, W. B. Patton, has
duplicated his success in "The Minister's Son."
"The Little Homestead" is interpreted by clever
company of artists, headed by William Macaulay.

on sale Monday at Ray's.

Never before in the history of our business have we been so successful in reducing, in fact almost closing out our
winter clothing. Our past four weeks reduced price sales left us the smallest kind of margin of profits. To close out
the last Suit and Overcoat we have left, these profits—and losses on top of them—will be sacrificed in a sale beginning
Wednesday morning, February 24th, and ending March 5th, that will be an epoch in Maysville's clothing business.
Nothing in This Sale is Reserved Except Our New Spring Cravenette Coats. All of our Stein-Bloch, L. Adler Bros. and
Garson, Meyer & Co.'s Suits and Overcoats are included in these slaughter offerings. **Read the Reductions:** All of
our \$8.50 and \$10 Suits and Overcoats go at \$6.50; all of our \$12, \$15 and \$16.50 Suits and Overcoats go at \$10; all
of our \$18.50, \$20 and \$22.50 Suits and Overcoats go at \$15. **All of These Rochester Made.** To give the youngsters
the greatest bargains we ever offered, one-third of the price of our Children's and Boy's Suits and Overcoats will be
taken off during the sale. Spot cash will be the only terms. Money returned if displeased with your purchase.

"It is the law of American politics that no man can make himself a candidate for President, and no man can prevent himself from being a candidate for President."—From a statement made by the late James G. Blaine.

It is said that Tsi An will leave Pekin in her new automobile; but not one of her loyal subjects has dared to say how old An is.

The Elizabethtown News, one of the ablest Democratic papers in the state, owned by HARRY SOMMERS, former Chairman of the Democratic State Committee, says of a bill recently passed by the Kentucky General Assembly:

"The only vicious bill passed by the Legislature is the one providing that registration be extended to cities of the fifth and sixth classes, and that a man shall produce his registration certificate before he is allowed to vote. This bill was not passed to protect the ballot nor to insure any greater honesty in our elections, but for the deliberate purpose of corruption. It relieves voters of all uncertainty of the goods being delivered and will enable the rich and unscrupulous a few days before the election to buy up registration certificates from those who will sell them. The bill should have had as its title, 'A Bill to Promote and Encourage Bribery.'"

CONGRESSMAN HUGHES of New Jersey has presented to the House a statement of the exhibits which are already in possession of the United States Government, and which would, in his opinion, form a splendid nucleus for the proposed National Museum of War, provided for in a bill he recently introduced. He suggests that from the National Museum be taken the collections of Generals GRANT, SHERMAN, SHERIDAN, HANCOCK and other famous American leaders, the camp outfit and military paraphernalia of WASHINGTON, and the collections of the CAPRONS, father and son, who gave up

Colonel James Rankins Has a Hearing Before Commissioner Hill

The Lexington correspondent of The Courier-Journal says Deputy United States Marshal Emmett Orr took Colonel James Rankins of Mt. Olivet, who was charged with distributing whisky without paying a special Government tax, to Lexington Tuesday, where he appeared before General Sam E. Hill, United States Commissioner, who heard the case while sitting in bed, and dismissed the accused.

Mr. Rankins owns a bus line between Mt. Olivet and Maysville, and was charged with carrying the illicit whisky to various points along his route from this city.

HARD TO EXPLAIN

If This Had Occurred Anywhere Else Than Maysville Our Readers Might Doubt It.

It's hard to explain how the public can continue to doubt in the face of such evidence. If this were published anywhere else than in Maysville, if the statement given below went the rounds of the press, readers in Boston or New Orleans might doubt it. But it's very different when the testimony given comes from a friend, perhaps a neighbor. It is public expression of a local citizen, and can be easily investigated.

Mr. Larnon Dawson, residing at 934 East Second street, says:

"The quick relief from pain in my back, which followed the use of Doan's Kidney Pills, proved them to possess remarkable powers. I procured them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. From the satisfactory results obtained, I can advise all in need of a kidney medicine to give Doan's Kidney Pills a trial."

their lives in the War with Spain. Of these the Grant relics are said to be the most interesting and valuable.

The War relics in the National Museum are classed under several heads, those of the Revolution, the War of 1812, the War with Mexico, the Civil War, Indian campaigns, the War with Spain, the insurrection in the Philippines and the campaign in China. Among them is a section of a large oak tree which stood inside the Confederate entrenchments near Spottsylvania Courthouse, Va., and which was literally cut down by musket balls during the attempt to capture the works. Near the old oak stump is all that remains of a United States Flag as it came out of the three days' fight at Salem Church, Salem Heights, Va., for which three Color Sergeants gave up their lives, and for which several others were severely wounded. In the collection of flags is the flag of the Kearsarge, which floated over her peak when she caused the surrender of the Confederate cruiser Alabama; also the first Union Flag hoisted in Richmond, Va., after its evacuation.

The double-barreled shotgun with which Colonel ELLSWORTH was shot and killed by JAMES F. JACKSON in the Marshall House, Alexandria, Va., is another tragic relic of the early days of the Civil War. By its side is the regulation army rifle, with sword bayonet, with which the death of ELLSWORTH was promptly avenged by Sergeant FRANK BROWNELL, one of his soldiers.

Among the Confederate exhibits is found the military coat worn by Colonel JOHN B. MOSBY, the ranger. Another Confederate exhibit is a large decorated China punch bowl, the former property of President DAVIS, which was captured in the "White House of the Confederacy" when Richmond was evacuated.

Political Pickings

NOT THE KENTUCKY BREW.

Louisville Evening Post.

Mr. Shafroth would not be considered a good Democrat among the Democrats of Kentucky. The idea of giving up an office to which a Democrat was not elected would, if rigidly applied, dissolve the new Democracy founded at the Music Hall Convention in 1899.

GERMAN SYRUP.

We want to impress on our readers that Boschee's German Syrup is positively the only preparation on the market today that does relieve and cure consumption. It contains the specific, such as pure tar, extracts of gum, etc., which have been so highly indorsed for the cure of coughs, colds, and consumption by the great medical congresses. The consumptive, whether his disease is in the throat or lungs, must have rest at night, and be free from the spasms of dry and racking cough in the morning. The diseased parts want rest, healing and soothing treatment, and the patient needs fresh air, good food, etc. German Syrup will give free and easy expectoration in the morning with speedy and permanent relief. Small bottles, 25c; regular size, containing nearly four bottles as much, 75c. At Henry W. Ray's Drugstore.

REDMEN'S CARNIVAL

Wyandotte Tribe Will Make Things Lively in the Spring

Wyandotte Tribe No. 3, I. O. R. M., contemplates giving a Street Carnival here about the first week in June.

They now have an option on one of the best Carnival Companies on the road, who will have nineteen shows, seven of which will be free and show twice each day. It is expected to have this Carnival for six full days. It will be advertised thoroughly, and there will no doubt be big crowds each day.

This Carnival will be between the boundaries of Limestone and Wall and Fourth and Front streets.

It means work. The Redmen agree to do that.

It will mean a first expense of \$1,000. Wyandotte Tribe has appointed a Soliciting Committee to get that. They will call on the Merchants and Citizens the first of next week.

Be as liberal as you can, so this Carnival may be assured.

Mr. W. A. Wood of Forest avenue has the grip.

The Rank of Knight will be conferred this evening at the meeting of Limestone Lodge No. 36, K. of P.

Rev. S. B. Alderson, a former Pastor, will assist Dr. John Barbour in a protracted meeting at the First Presbyterian Church, beginning March 14th.

Charging that his wife would not let him put up a Union Flag over his former hotel at Ashland, Myron H. Lowell, a traveling salesman, was granted a divorce Wednesday in Cincinnati.

The river is rising slowly.

The gauge is 19.8 at this point.

Little or no ice is now passing.

Kivermen expect a 20-foot stage on the present rise.

The Tacoma was up last night for Pomeroy with a good trip.

The Courier is making her regular trips in the Maysville-Cincinnati trade.

The excursion trip of the Queen City to New Orleans on March 1st has been called off.

The Cincinnati and Pittsburgh Packet Company will send out a boat to Pittsburgh tomorrow.

Rainfall has been general up the Monongahela and Allegheny this week, loosening up the ice in those rivers.

If the rise should continue two days longer the Pittsburgh coal companies expect to make a good shipment. Towboats are scarce in the harbor, but several are now going up.

Latest News

The President at 11:40 a. m. yesterday signed the Panama treaty. Senator Kittredge of South Dakota was present and was presented with the pen used by the President.

Fire yesterday practically wiped out the business portion of Conneaut Harbor, O. Among the buildings burned were the Mutual Block and the Marine Bank Building with their contents, including the Marine Bank, the Postoffice and several stores. Loss estimated at \$100,000, partially covered by insurance.

About 1 o'clock Wednesday morning the Japanese made a desperate attempt to block the entrance of the inner harbor and dock at Port Arthur. With this object four merchant steamers, accompanied by torpedo vessels, were sent from two sides toward the entrance of the channel. The movement was perceived by the Russian, which was lying in the channel, and she opened fire immediately. At the same time the guns of the forts on the Tiger Peninsula, Golden Hill and Electric Cliff were turned upon the enemy and a furious cannonading ensued, lasting until 5 o'clock in the morning. Then the firing slackened and became desultory. The Japanese had failed to effect their purpose. All four steamers were sunk. The British Foreign Office has received an official dispatch saying that not one of the Japanese torpedo boats was injured in the attack on Port Arthur of Wednesday, February 24th.

At the morning session of the Harrison Circuit Court yesterday the Grand Jury returned a true bill of indictment against Judge B. F. French of Winchester and Ed. Callahan, Sheriff of Breathitt County, charging them with subornation of perjury in allegedly compelling and repudiating A. C. Adams to perjure himself in the Jett trial last summer in behalf of Jett. French is a prominent lawyer of Winchester and represented Jett in the trial last summer. A. C. Adams was convicted Tuesday of perjury but was upon his own motion granted a new trial. He pleaded not guilty to the indictment. No evidence was given and the Jury found him guilty. He made a most sensational speech for himself in the case yesterday implicating French and Callahan. Jasper King is now on trial for alleged perjury in Court. He was a Juror in the case of Jett and White last summer who refused to vote for the death penalty as the other eleven had agreed and the trial resulted in a life sentence.

Tendency of the Times.

The tendency of medical science is toward preventive measures. The best thought of the world is being given to the subject. It is easier and better to prevent than to cure. It has been fully demonstrated that pneumonia, one of the most dangerous diseases that medical men have to contend with, can be prevented by the use of Chamberlain's Cough Remedy. Pneumonia always results from a cold or from an attack of influenza (grip), and it has been observed that this remedy counteracts any tendency of these diseases toward pneumonia. This has been fully proven in many thousands of cases in which this remedy has been used during the great prevalence of colds and grip in recent years, and can be relied upon with implicit confidence. Pneumonia often results from a slight cold when no danger is apprehended until it is suddenly discovered that there is fever and difficulty in breathing and pains in the chest, then it is announced that the patient has pneumonia. He on the safe side and take Chamberlain's Cough Remedy as soon as the cold is contracted. It always cures. For sale by J. Jas. Wood & Son.

ECZEMA ON LITTLE GIRL

Sleepless Nights for Mother and Awful Suffering of Child.

CURED BY CUTICURA

Had Given up All Hope of Ever Making Any Cure.

"My little girl has been suffering for two years or more from eczema, and during that time I could not get a night's sleep, as her ailment was very severe.

"I had tried so many remedies and spent much money, deriving no benefit, I had absolutely given up all hope of making any cure. But as a last resort I was persuaded to try a set of the Cuticura remedies, and to my great delight a marked change was manifested from the first application. I gave the child a bath with Cuticura Soap, using a soft piece of muslin cloth. This I did twice a day, each time following with the Cuticura Ointment, and at the same time gave the Resolvent, according to directions. One box of the Ointment and two bottles of the Resolvent, together with the Soap, effected a permanent cure. I submit this for publication if you desire, hoping it will add to your success and assist so many thousands of sufferers in curing themselves." Mrs. I. B. JONES, ADDINGTON, IND. T.

The first step in the treatment of the chronic forms is to remove the scales and crusts and soften the skin, by warm baths with Cuticura Soap. The scalp, ears, elbows, hands, ankles and feet will require frequently a thorough soaking in order to penetrate the thickened skin and crusts with which these parts are often covered. Dry carefully, and apply Cuticura Ointment, lightly at first, and where advisable spread it on pieces of soft cloth and bind in place. Take the Resolvent, pills, or liquid, in medium doses. Do not use cold water in bathing, and avoid cold, raw winds.

Sold throughout the world. Cuticura Resolvent, 50c. (in form of Chocolate Coated Pills, 25c. per box of 40). Ointment, 25c. Soap, 25c. Depot: London, 27, Charterhouse Row, S.W.1, Paris, 2, Rue de la Paix; Boston, 15, Columbus Ave. Potter Drug & Chem. Corp., Sole Proprietors. Send for "How to Cure Eczema."

Hon. John F. Pogue, one of Cincinnati's brightest legal lights, has been in the city for several days past engaged in a case before Judge Harbeson. He returned home yesterday. Mr. Pogue will leave Cincinnati Monday for a two months trip to San Francisco, Portland and all the coast cities in the interest of the H. F. Pogue Distillery Company of this city.

The water tank erected by the C. and O. at the Depot in the West End is an immense structure. The tub will hold 50,000 gallons of water, and 3,000 feet of 3-inch white pine was used in its construction. It stands on a pedestal fifty-eight feet high and required twelve tons of iron in its erection. It is one of the largest and highest on the Cincinnati Division of the C. and O., and cost over \$2,500. Mr. O. E. Word superintended the erection of this modern and up-to-date railroad watering tank.

Miss Agnes Miller, of Chicago, speaks to young women about dangers of the Menstrual Period—how to avoid pain and suffering and remove the cause by using Lydia E. Pinkham's Vegetable Compound.

"TO YOUNG WOMEN:—I suffered for six years with dysmenorrhea (painful periods), so much so that I dreaded every month, as I knew it meant three or four days of intense pain. The doctor said this was due to an inflamed condition of the uterine appendages caused by repeated and neglected colds.

"If young girls only realized how dangerous it is to take cold at this critical time, much suffering would be spared them. Thank God for Lydia E. Pinkham's Vegetable Compound, that was the only medicine which helped me any. Within three weeks after I started to take it, I noticed a marked improvement in my general health, and at the time of my next monthly period the pain had diminished considerably. I kept up the treatment, and was cured a month later. I am like another person since. I am in perfect health, my eyes are brighter, I have added 12 pounds to my weight, my color is good, and I feel light and happy."—MISS AGNES MILLER, 25 Potomac Ave., Chicago, Ill.

The monthly sickness reflects the condition of a woman's health. Anything unusual at that time should have prompt and proper attention. Fifty thousand letters from women prove that Lydia E. Pinkham's Vegetable Compound regulates menstruation and makes those periods painless.

READ WHAT MISS LINDBECK SAYS:

"DEAR MRS. PINKHAM:—Lydia E. Pinkham's Vegetable Compound has greatly benefited me. I will tell you how I suffered. My trouble was painful menstruation. I felt as each month went by that I was getting worse. I had severe bearing-down pains in my back and abdomen.

A friend advised me to try Mrs. Pinkham's medicine. I did so and am now free from all pain during my periods."—JESSIE C. LINDBECK, 1201 6th Street, Rockford, Ill.

FREE ADVICE TO WOMEN.

Remember, every woman is cordially invited to write to Mrs. Pinkham if there is anything about her symptoms she does not understand. Mrs. Pinkham's address is Lynn, Mass., her advice is free and cheerfully given to every ailing woman who asks for it. Her advice has restored to health more than one hundred thousand women. Why don't you try it, my sick sisters?

\$5000 FORFEIT If we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.

The Cause of Many

Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Stop . . . Coughing!

....This is not a command—only....
....a suggestion. We suggest that....
....you stop that slight cough be....
....fore it becomes too late. Oft....
....times people say "Oh, it is only....
....a slight cough; it will soon....
....wear off." The cough grows....
....worse, and they have to resort....
....to strong medicine and perhaps....
....have a long sickness. If in the....
....beginning they had used a....
....mild remedy they would have....
....saved themselves and others a....
....great deal of trouble and worry....
....There is nothing so annoying as....
....a hacking cough; it not only....
....disturbs the one who is cough....
....ing, but it disturbs and annoys....
....every one who is in hearing. To....
....those who are troubled with a....
....cough we suggest a bottle of....
